Santa flights at Staverton Airport

Gloucestershire Airport, Staverton, is pleased to announce that Santa and his elves will be visiting the airport on Saturday 10th December.

Manx2.com is providing a 19 seat Dornier 228 aircraft to check the airspace above Gloucestershire in readiness for Santa's journey, and pleasure flights are offered at £35 per person for a 25 minute flight. Santa will be at the airport to greet the passengers from their flight, and will have a present for the children that fly. There will be a festive atmosphere and Christmas cake in the terminal building for Mums and Dads.

There will be 2 flights on 10th December, which can be booked either through the airport or through the www.manx2.com website. For internet bookings, please type 'snow' into the promotional code box for flights. Children must be accompanied by an adult.

Business Development Manager, Kim Davenport, said 'We're delighted to welcome Santa back to the airport this year. The children had a lot of fun last year, and I hope that we're able to put many more smiles on faces this year.'
