

CASTLE AIR HELICOPTER CHARTER

The Charter Specialists

For more than 35 years, Castle Air have been the number one choice for helicopter charter. They pride themselves on providing fast, convenient and comfortable services for both private and business clients.

Their fleet of executive turbine helicopters is the largest in the UK and they have bases at London Biggin Hill Airport, Cornwall and Cheltenham, Gloucestershire Airport. This means Castle Air are positioned to operate flights all over the UK.

Business Charter

Castle Air are proud to be the first choice for large corporate and small business owners. Business clients are guaranteed a swift, professional flight from meeting to meeting which is why they return again and again.

Their fleet size and years of industry experience means that they are often asked to organise high volume corporate hospitality events for blue chip companies.

Airport Runs

The Castle Air team operates out of Gloucestershire, Cardiff, Birmingham, Exeter, Bristol & Bournemouth Airports. They can also interline with your jet and take you to your onward destination quickly and in comfort.

Private Charter

Castle Air specialise in helicopter charter for business, leisure, weddings and other special occasions. Every luxury flight is bespoke, as their experienced Operations team tailors your trip around your exact requirements. Their service offers the most effective, speedy transfer and an executive style flying experience.

Social & Sporting Events

Travelling to a social or sporting event by helicopter allows clients to avoid the crowds and miss the traffic. Castle Air provide cost and time effective helicopter charters all over the UK, operating at all major events including Cheltenham, Royal Ascot, Silverstone, Isle of Wight Festival, Glastonbury, Cowes Week and many more. They have a dedicated fleet of six-seater Agusta Westland 109 helicopters which guarantee every business, corporate and private aviation customer a first class experience.
