

Air Traffic Services Assistant

Gloucestershire Airport is a busy General Aviation airport set in beautiful surroundings in the heart of Gloucestershire. We are home to an exciting mix of traffic from vintage piston aircrafts to state of the art business jets.

As Air Traffic Services Assistant working at one of the UK's leading General Aviation Airports, your primary role will be assisting the Air Traffic Controller team safely handle more than 75,000 runway movements and an additional 10,000 transits in a busy Class G airspace environment.

Amongst many important tasks you will be first point of contact in the Visual Control Room for UHF ground communications, pilot enquiries and will be liaising closely with other departments.

Previous experience in General Aviation or other high pressure environments are preferred and a Meteorology Observers certificate is desirable.

This is a permanent position working an average of 38 hours a week.

For more information please contact Gemma Cox, Human Resources Manager by e mail at gcox@gloucestershireairport.co.uk or by phone on 01452 857700 ext. 240.

The closing date for this position is Thursday 27th June 2019 at 5.00pm. Interviews will be held on the 4th July 2019.
