

VACANCY
Deputy Manager of Air Traffic Services

Hours: Average 37.5 hours per week including weekends

Reporting to the Manager of Air Traffic Services (MATS) you will be responsible for supporting the MATS in managing the unit for the provision of Air Traffic Services to ensure a safe, orderly and expeditious flow of air traffic in busy class G airspace. In addition to operational ATCO duties the DMATS will be required to attend meetings, liaise with regulatory agencies, manage staff and take on MATS responsibilities in his absence.

The DMATS will hold ratings in ADI, APP and APS however candidates without all three ratings may also be considered. OJTI and Assessor endorsements would be desirable but not essential. Previous management experience in busy class G environments is advantageous

We are looking for individuals with strong leadership qualities who are able to work well as part of a team and have a good understanding of ANSP regulatory requirements.

With funding now granted to improve runway surfaces and to develop key operational infrastructure this is an exciting opportunity to become part of an evolving business and fantastic team.

Salary will be dependent upon experience and there is free on site parking.

For further details the job description is posted on our website www.gloucestershireairport.co.uk

The closing date for applications is Wednesday 27th January 2021. Interviews will take place during February, in person if possible, with dates to be confirmed.

To apply: Please send your CV and request an application form by email from HR@gloucestershireairport.co.uk. Completed applications to be sent to Karen Wolferstan-Bannister at the above email.
