

Qualified CAA Aviation Fighter

Gloucestershire Airport is the UK's leading general aviation airport handling 80,000 flights per annum ranging from special category microlights and light aircraft to helicopters and business jets.

We are currently recruiting for two airport firefighters'; this is a multifunctional role involving both firefighting, other operational and extraneous duties. You will be part of small and dynamic team based on the main airport site.

Working a 4 on, 4 off shift pattern including weekends, candidates must hold a full driving licence, with an LGV licence being advantageous.

A current military or civil aviation certificate of competence would be of an advantage however all applications will be considered.

The closing date for applications is Friday 26th February 2021. If you are interested, please, please email HR@gloucestershireairport.co.uk for further details. You will be sent a Job Description, and given instructions regarding applying.
